△ Apple Intelligence is available in beta on all Mac models with M1 and later, with Siri and device language set to Chinese (Simplified), English (Australia, Canada, India, Ireland, New Zealand, Singapore, South Africa, UK or US), French, German, Italian, Japanese, Korean, Portuguese (Brazil) or Spanish, as a macOS Sequoia update, with more languages coming over the course of the year, including Vietnamese. Some features may not be available in all regions or languages.

* Monthly pricing is available when you select Apple Card Monthly Installments (ACMI) as payment type at checkout at Apple, and is subject to credit approval and credit limit. Financing terms vary by product. Taxes and shipping are not included in ACMI and are subject to your card's variable APR. See the [Apple Card Customer Agreement](#) for more information. ACMI is not available for purchases made online at special storefronts. The last month's payment for each product will be the product's purchase price, less all other payments at the monthly payment amount. ACMI financing is subject to change at any time for any reason, including but not limited to, installment term lengths and eligible products. See <https://support.apple.com/kb/HT211204> for information about upcoming changes to ACMI financing.

◇ Apple Card Monthly Installments (ACMI) is a 0% APR payment option that is only available if you select it at checkout in the U.S. for eligible products purchased at Apple Store locations, [apple.com](#), the Apple Store app, or by calling 1-800-MY-APPLE, and is subject to credit approval and credit limit. See [support.apple.com/102730](#) for more information about eligible products. Existing customers: See your Customer Agreement for your variable APR. As of January 1, 2025, the variable APR on new Apple Card accounts ranges from 18.24% to 28.49%. You must elect to use ACMI at checkout. If you buy an ACMI-eligible product with a one-time payment on Apple Card at checkout, that purchase is subject to your Apple Card's variable APR, not the ACMI 0% APR. Taxes and shipping on items purchased using ACMI are subject to your Apple Card's variable APR, not the ACMI 0% APR. In order to buy an iPhone with ACMI, you must select one of the following carriers: AT&T, Boost Mobile, T-Mobile, or Verizon. An iPhone purchased with ACMI is always unlocked, so you can switch carriers at any time, subject to your carrier's terms. ACMI is not available for purchases made online at the following special stores: Apple Employee Purchase Plan; participating corporate Employee Purchase Programs; Apple at Work for small businesses; Government and Veterans and Military Purchase Programs; or on refurbished devices. The last month's payment for each product will be the product's purchase price, less all other payments at the monthly payment amount. ACMI is subject to change at any time for any reason, including but not limited to installment term lengths and eligible products. See [the Apple Card Customer Agreement](#) for more information about ACMI.

To access and use all Apple Card features and products available only to Apple Card users, you must add Apple Card to Wallet on an iPhone or iPad that supports and has the latest version of iOS or iPadOS. Apple Card is subject to credit approval, available only for qualifying applicants in the United States, and issued by Goldman Sachs Bank USA, Salt Lake City Branch.

Apple Payments Services LLC, a subsidiary of Apple Inc., is a service provider of Goldman Sachs Bank USA for Apple Card and Savings accounts. Neither Apple Inc. nor Apple Payments Services LLC is a bank.

If you reside in the U.S. territories, please call Goldman Sachs at 877-255-5923 with questions about Apple Card.

◇◇ Trade-in values will vary based on the condition, year, and configuration of your eligible trade-in device. Not all devices are eligible for credit. You must be at least the age of majority to be eligible to trade in for credit or for an Apple Gift Card. Trade-in value may be applied toward qualifying new device purchase, or added to an Apple Gift Card. Actual value awarded is based on receipt of a qualifying device matching the description provided when estimate was made. Sales tax may be assessed on full value of a new device purchase. In-store trade-in requires presentation of a valid photo ID (local law may require saving this information). Offer may not be available in all stores, and may vary between in-store and online trade-in. Some stores may have additional requirements. Apple or its trade-in partners reserve the right to refuse, cancel, or limit quantity of any trade-in transaction for any reason. More details are available from Apple's trade-in partner for trade-in and recycling of eligible devices. Restrictions and limitations may apply.

1. 1GB = 1 billion bytes and 1TB = 1 trillion bytes; actual formatted capacity less.
2. The displays on the 14-inch and 16-inch MacBook Pro have rounded corners at the top. When measured as a standard rectangular shape, the screens are 14.2 inches and 16.2 inches diagonally (actual viewable area is less).
3. Testing conducted by Apple August through October 2024 using pre-production 14-inch MacBook Pro systems with Apple M4, 10-core CPU, 10-core GPU, 24GB of RAM and 1TB SSD. Tested with Apple 96W USB-C Power Adapter (Model A2166) and USB-C to MagSafe 3 Cable (Model A2363). Fast-charge testing conducted with drained MacBook Pro units. Times measured from the beginning of wake from hibernate, or from the appearance of the Apple logo as the unit started up. Charge time varies with settings and environmental factors; actual results will vary.

° Apple TV+ offer available to new and qualified returning subscribers only. \$9.99/month after free trial.
